

Dear Parents & Students,

Our Biology department has decided to use Khan Academy as our Distance Learning program. You will be able to access this platform using any electronic device (including your phones). Any student that does not have access needs to let their teacher know immediately via email. See emails below.

Instructions:

1. Make sure you have an email account. If you do not have one, you will need to create one.
2. Go to Khan Academy.org and create an account using your email.
 - Select Learner
 - Click on "enter class code"
 - Enter your class code (see all codes below)
 - Click create new account
 - Enter your DOB again
 - Sign up with email and enter email address.
 - Enter your name and create a password (use your correct first and last name)
 - WRITE YOUR NAME & PW DOWN -PLEASE
 - Once you are logged in, you will see HHS Biology
 - DO NOT CLICK ON COURSES
 - At this time you are complete. We will send a remind when your first assignment is out there.
 - Please sign up ASAP.
3. Once you have created an account, you may also download the Khan Academy app to use on other devices. You will need your login information so WRITE IT DOWN.
